

Roll of Honour for 429 Squadron 1942-46

(This list is in alphabetical order)

'When you go home, tell them of us and say,
for your tomorrow we gave our today.'

Inscription on War Memorial to the 14th Army located in Kohema, Burma

To the best of my knowledge this list is complete! This is probably the first time since 1946 that a complete Roll of Honour for the squadron has been seen. The names of 395 young men who paid the supreme price of serving their country are on this Roll.
